**Amendment to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims:**

1. (Cancelled)
2. (Currently Amended) An inkjet printer system according to claim +6, wherein the inkjet printer cartridges are of a type having a pagewidth printhead.
3. An inkjet printer system according to claim 2, wherein the inkjet printer cartridges are of a type having an internal ink store in fluid communication with the pagewidth printhead.
4. (Currently Amended) An inkjet printer system according to claim +6, wherein an inkjet printer cartridge not supported by a particular inkjet printer cradle is formed with a protrusion, or an indentation, that interferes with an indentation, or a protrusion, of the particular inkjet printer cradle upon attempting to insert said cartridge into said cradle.
5. (Currently Amended) An inkjet printer system according to claim +6, wherein indicia are present on the inkjet printer cartridges and on the inkjet printer cradles to indicate whether a particular inkjet printer cartridge is supported by a particular inkjet printer cradle.
6. (New) An inkjet printer system comprising:  
an inkjet printer cradle having a body defining a recess;  
a range of cartridges, each having at least one performance characteristic that differentiates it from others in the range, the range including a set of supported cartridges being the only cartridges shaped for reception within the recess of the inkjet printer cradle.
